Dear Sir:

This is a request under 37 C.F.R. §1.48(b) to correct the inventorship in the above-identified application. During prosecution of this application certain claims pending in the application were canceled and amended. The cancellation and amendment of claims resulted in fewer than all of the currently named inventors being the actual inventors of the invention being claimed in the application.

The invention of the following inventors is no longer being claimed in this application:

C. Gerald Curtis
Edward Lau
Nagaraja K.R. Rao
James V. Winkler
Wannell M. Crook

Applicant respectfully requests deletion of C. Gerald Curtis, Edward Lau, Nagaraja K.R. Rao, James V. Winkler, and Wannell M. Crook as inventors because their invention is no longer being claimed in the application. Accordingly, David Bar-Or is the only inventor.

Submitted herewith via EFS-Web is payment in the amount of \$130.00 for payment of the processing fee set forth in 37 C.F.R. §1.17(i). Please credit any overpayment or charge any underpayment to Deposit Account No. 19-1970.

Respectfully submitted,
SHERIDAN ROSS P.C.
